Internal Programs

Once again we celebrated our Annual Latino Recognition Banquet on Thursday, April 10, 2014. We had over 180 students, faculty/staff, family and community guests attend this event to celebrate the accomplishments of our students. Be sure to congratulate these students who have excelled not only in their academic achievements but in the community and extracurricular activities as well. Arturo Minera and Maria Rojas were the Master and Mistress of Ceremonies and thoroughly entertained the audience by their charismatic and infectious personalities. Northern Kentucky University’s President, Mr. Geoffrey S. Mearns gave the welcoming remarks which were followed by an invocation given by the Reverend Louis Gasparini, MCCJ. The
Admissions office recognized future NKU students who received the NKU Diversity Scholarship. The event was so well received that three scholarship recipients confirmed their attendance to NKU that night. Ms. Gabriela Santiago, an NKU student presented the Latino student organization accomplishments. The keynote speaker for the evening was Mrs. Diana Maria Lara who is the University of Cincinnati Health Director of Media Relations. Dr. Peter Gitau, Vice President of Student Affairs, gave the closing remarks which were followed by a selfie by Arturo, Maria and the whole ballroom. Be sure to congratulate these students and show them your support. The following are the awards that were presented during our recognition banquet:

**Student Accomplishments**

Kelsey Rodriguez was not only recognized as Latina of the Year at our Recognition Banquet but she was also recognized as Latina of the Year during the Student Leader Recognition Celebration 2014. She has also been accepted to the Disney College Program and will start in the fall of 2014. This is a VERY competitive program with applicants from the United States as well as across the globe. This program gives students an opportunity to advance their strengths and interests while gaining experience with people from all over the world. Students take personal and career development classes and build transferable skills. Participants also gain on-the-job experience in their parks and resorts. This is truly a once in a life time experience. Congratulations Kelsey!

We would like to congratulate Mayra Guzman and Arturo Minera for receiving two prestigious awards. Mayra Guzman won the President’s Award. The President’s Award is “given to a senior who has greatly contributed to the development of a strong sense of community at Northern Kentucky University”. Mayra was also selected to be the student commencement speaker for the College of Arts and Sciences Graduation Ceremony. She is the first Latina to be given the chance to speak at Commencement. Arturo Minera won the Norse Legacy Award. This award “goes to a senior, nominated by an organization, who best embodies the spirit and core values of Northern Kentucky University”. Congratulations to Mayra and Arturo!

**Student Highlight by Kelsey Rodriguez**

The **2014 Latino Recognition Banquet** was bittersweet since it was my very last Recognition Banquet that I will be attending as a student at NKU. To this day, it still hasn’t sunk in. The night was filled with students, faculty, staff, and many members from the community. My amazing friends, Arturo Minera and Maria Rojas, were the hosts of the banquet. They not only provided the entertainment and introduced the guest speakers, but took plenty of selfies as well. I was asked to speak on behalf of the Latino Mentor Program. I was so honored to be able to share my experiences from the program as well as recognize the mentors and mentees. Arturo Minera was chosen to be Mentor of the Year. Arturo inspires his mentees to be the best they can be. Every year, Arturo’s legacy at NKU keeps getting bigger. He has made an impact on this campus that not a lot of people can do. Bryant Picazo was selected as the Mentee of the Year. Bryant is a freshman that has a lot of potential to be an awesome leader. His time at NKU has only just begun and he will do amazing things on this campus. We also had a very inspirational guest speaker. Diana Lara is the
UC Health Director of Media Relations. Her story wasn’t a story I was expecting. Her message: Sometimes you have to be at rock bottom to get back up and achieve great things in life. Later on in the evening, I was presented with the 2014 Latina of the Year Award. This award and honor was something I wasn’t expecting. The best part was that my best friends, Arturo and Mayra Guzman, presented the award to me. We have been friends since the beginning and now each of us have won this award. We not only started together, but we end our journey at NKU together as well. Mayra and I will be graduating in a few weeks and Arturo will be graduating in December. As the night came to a close, I thought about my memories with the Latino Programs and Services Office. They became my first family and without them, many others and I would not have been able to do the amazing things we have done on this campus. Without this office, I would not have met some of the best people I have ever met. I am forever grateful that this office has been an essential part of my time at NKU. Every person that I have met has helped me become the person that I am today. I hope that future students have the same experience that I had and realize that the Latino Programs and Services is not just an office. It’s a familia.

**Upcoming events:**

---

**June 25-26th**

**August 10-12th**

**Student Union, Student Union 302**

**Latino Programs and Services Orientation Workshop**

The Office of Latino Programs and Services will hold their annual orientation for new incoming Latino students. The purpose of this orientation is to welcome them to NKU, as well as, provide valuable
information for their college career. Students will get acquainted with the LPS staff, other Latino students, as well as, learn about other valuable offices on campus. A unique part of the orientation is that students get to partake in activities that strengthen leadership and team building skills. Students are also able to form strong relationships with others that could last a lifetime. **To sign up please contact our office.**

**Latino Mentor Program (LAMP)**

Throughout the month of April and May, LAMP students took part in the following activities:

Ace the Interview on April 4th  
Student Awards Ceremony on April 16th  
Study Session on April 22nd

On Friday, April 4th from 2-3 p.m., Matt Campbell from Total Quality Logistics presented on how to "**Ace the Interview**". The students at the event had an opportunity to reflect on the presentation and to ask questions one on one at the closing of the event. All of the students feel that they are more prepared for interviews in the future and are excited to have a step ahead of others in the interviewing process. We would like to give a special thanks to Total Quality Logistics for supporting LAMP this year and presenting numerous times to our students on a variety of topics.

Our student led event this year was hosted by Arturo Minera, our LAMP Mentor of the Year. Arturo volunteered to host this event on April 16th, at 3:30 p.m. and he did an exceptional job with it. He held a **Student Awards Ceremony** for the students in LAMP and made up funny awards and provided keepsakes for the students as well. He had a short skit for each and every one of the awards to describe the student and why they were receiving that particular award. This event was a really meaningful one and provided an opportunity for the students to reflect on some of the great characteristics and personalities that they exemplify on a regular basis. A special thanks to Arturo for being a great mentor to the students in LAMP on a daily basis and for giving so much back to the program!

Thirteen students gathered on April 22nd from 3-4 p.m. to begin studying for finals. The students really enjoyed the **Finals Study Session** because it is a laid back environment and reminds them about focusing on finals ahead of time. LAMP stresses the importance of succeeding academically, and the students who attended the study session feel that they are better prepared and ready to tackle finals week to finish out the year strong. This was the final LAMP event for the school year and we are excited to get started on
the events for the 2014-2015 school year.

LAMP’s Student of the Month for May is Patricia Figueroa! Patricia is majoring in social work and was nominated by Alex Pineda. She wants her peers/staff to know that, “I am very hard working and when I put my mind into something I can make it reality. I am the person my friends and family rely on giving them a shoulder to cry and also advice. I also put a lot of my time and efforts into something that I am very passionate about. To the mentors I just want to give you gratification, it really does make a difference when people like mentors take time out of their life to guide others in good path and I am very grateful for everything that not only my mentor does for me but for all the mentors that do that same for their mentees. It is a very rewarding program where bonds and friendships can be created all in efforts to get to success.”

Upcoming events:

Please keep an eye out for upcoming events in the fall of 2014.

We would like to thank all of our wonderful supporters for collaborating, guiding and assisting our office, but most of all, for providing the successful academic and networking opportunities for our students.

Highlights from the Office of Admissions

By: Office of Admissions-Multicultural Recruitment Unit

STAYING FOCUSED AT HOLMES HIGH SCHOOL
The NKU Admissions Multicultural Recruitment Team successfully ended Project FOCUS for 2014. Project FOCUS is a college readiness program that provided Holmes High School sophomores with tools and resources that will allow them to continue their preparation for college. The team met with students January - March at Holmes HS presenting sessions geared around college requirements, leadership, campus life/living, financial planning, financial aid, and scholarships. Our own Maria Rojas joined Leyla Peña, NKU Admissions Counselor, during the leadership sessions. Her student perspective enhanced the session significantly and Holmes students were excited to hear about leadership opportunities at NKU! Closing of Project FOCUS took place at a campus visit on April 28, 2014.

VISITE NKU...SPANISH NORSE DAY!
On March 17, 2014 NKU hosted thirteen Hispanic/Latino families at the 2014 spring Spanish Norse Day. This visitation program is geared toward Hispanic/Latino students and their parents and is held completely in Spanish. The program encompasses information about admissions and financial aid, as well as an overview about Latino Programs and Services. Arturo Minera, Elsy Verdugo, Alma Oñate, Amber Mercedes and Emanuel
Picazo did a great job as tour guides. In addition, Alma, Amber and Mayra Guzman were outstanding as they served on a student panel. Spanish Norse Day gives prospective Hispanic/Latino students and their parents the opportunity to learn more about NKU in their own language while meeting current Hispanic/Latino NKU students, faculty and staff. Out of the 13 families who attended, 10 students were seniors in high school and 8 already applied to NKU. Two received scholarships from us!!!

**FUTURE NORSE RECOGNIZED**

Every year, in collaboration with Latino Programs and Services, the Office of Admissions invites prospective Latino students to the Latino Student Recognition Banquet. At this year’s celebration, nine students who were awarded with the Educational Diversity Scholarship were recognized before campus and community guests while their proud parents flashed their cameras to catch a glimpse of their deserving student. Close to thirty Latino students were awarded the Educational Diversity Scholarship for 2014-2015.

**Upcoming events for Admissions:**

- NKU’s 5\(^{th}\) Annual Multicultural Leadership Conference (for high school juniors): May 16-17, 2014
- Spanish Norse Day in the summer? Coming up at a Welcome Wednesday—more details to come
- 3\(^{rd}\) Annual Latino College Fair and Conference—SAVE THE DATE—Thursday, October 2, 2014
